Dear Mr. Bradley:

Thank you for taking the time to contact my office. Your comments regarding SB 264 are very important to me. At this time, I have not taken a position on this bill. Over the next several weeks, my colleagues in the State Assembly and I will analyze and discuss the merits of this bill. This discussion, as well as the public comments I receive from concerned residents like you, will help me formulate my position in the future. Again, I greatly appreciate your letter and I will consider your comments when I vote on this bill.
